

Introducing  
**AmbientDim™**

## PRODUCT OVERVIEW

LIGHTING

SOLUTIONS

flawless.

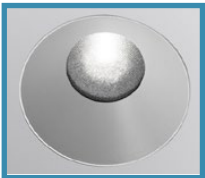

# SERIES ADJUSTABLE

SLI's round point source accent fixtures are available with many different light sources. They are adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane. Check below for the availability of the following housing types: Housings for the round trims come with separate collars for plaster or standard ceilings. UH Standard housing for all ceilings (for use with the ZT or FT trim); CUH Compact housing for all ceilings (for use with the ZT or FT trim); SUH Shallow housing for all ceilings (for use with the ZT or FT trim); AUH IC rated, Airtight housing for all ceilings (for use with the FT trim). Available for wet location with ST trim and IC/Airtight.

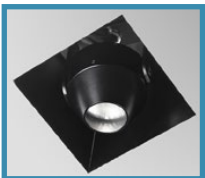

**1000** **AmbientDim™**  
Single lamp, LED/low-voltage halogen/metal halide, recessed accent light, nominal 4" (100mm) to 6" diameter flat trim with 2/4" aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** UH Universal, Airtight Universal, Shallow, Chicago Plenum and IC.

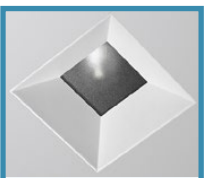

**1001** **AmbientDim™**  
Single lamp, low-voltage halogen/metal halide, recessed accent light with nominal 4" (100mm) to 6" (160mm) conical trim with 2/4" aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** UH Universal, Airtight Universal, Shallow, Chicago Plenum and IC.

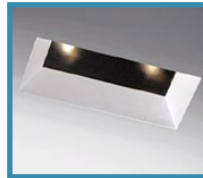

**1005** **AmbientDim™**  
The 1005 series accent light yields maximum adjustability in an open square or trough application. The 1005 can be a single lamp or multiple lamp linear slot. Dual lamp, LED/low-voltage halogen, recessed, open slot accent light with nominal 4"x4", 8"x8", 4"x8", 4"x12", or custom rectilinear aperture options.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** PH/ APH plaster, UH/AUH universal and Flanged.

**1009** **AmbientDim™**  
The 1009 series accent light yields maximum adjustability in an open square or trough application. Single lamp, low-voltage halogen, recessed accent light with nominal 4" or 6" square trim and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, compact, Chicago Plenum, surface and IC.

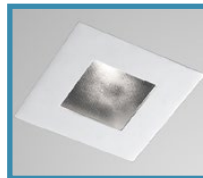

**1009-2** **AmbientDim™**  
The rectangular 1009-2 point source accent fixtures are available with many different light sources. Both of the lamps is adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane. Single lamp, low-voltage halogen, recessed accent light with nominal 4"x 9" rectilinear, square aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111.  
**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plasterange, UH Universal, SUH Shallow universal, AUH Airtight universal, IC.

**1009-3** **AmbientDim™**  
The rectangular 1009-3 point source accent fixtures are available with many different light sources. Each of the three lamps is adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane. Triple lamp, low-voltage halogen, recessed accent light with nominal 4"x13.5" (100mm x 343mm) rectangular aperture and flangeless trim. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster/LED flange, UH Universal, SUH Shallow universal, AUH Airtight universal/LED, IC/LED.

**1012** **AmbientDim™**  
The square point source accent fixtures are available with many different light sources. They are adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane. Single lamp, low-voltage halogen, recessed accent light with nominal 2" flat square aperture, flanged or flangeless trim and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** PH Plaster, SPH Shallow plaster, APH Airtight plaster, UH Universal, SUH Shallow, AUH Airtight universal, Chicago Plenum, surface and IC.

**1016** **AmbientDim™**  
Single lamp, recessed accent light with nominal 4" (100mm) to 6" (150mm) conical trim with 3/5" aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** UH Universal, Airtight Universal, Shallow, Chicago Plenum and IC.

NOTE: These specifications are subject to change without notice

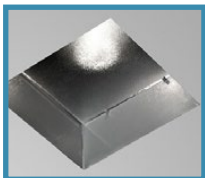

## 1017 AmbientDim™

The square point source accent fixtures are available with many different light sources. They are adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane.

Single lamp, solid state light engine, recessed accent light with nominal 3" (75mm) square aperture and optional glass diffuser.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster, APH Airtight plaster, UH Universal, SUH Shallow universal, AUH Airtight universal, Chicago Plenum, surface, compact and IC.

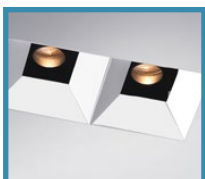

## 1044

Single/dual lamp, low-voltage halogen, recessed accent light with nominal 4" square/4"x8" rectangular aperture glass diffuser and flangeless beveled trim. Frosted

solite borosilicate glass; other options available. Perfect for retail, residential and commercial applications.

**LAMP OPTIONS:** MR-16

**HOUSING TYPES:** PH Plaster

## 1050 AmbientDim™

The rectangular 1050 point source accent fixtures are available with many different light sources. Each lamp has its own trim and is adjustable 365 degrees on the horizontal plane

and up to 45 degrees on the vertical plane. Dual/triple lamp, LED/low-voltage halogen and/or metal halide, recessed accent light with nominal 4"x 8" (100mm x 200mm) or 4"x12" rectangular 2- or 3-cell aperture and flangeless trim. Clear pyrex safety lens.

Optional borosilicate lenses available for lamp holder and aperture. Suitable for install from below applications.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plasterange, UH Universal, SUH Shallow universal, AUH Airtight universal, IC.

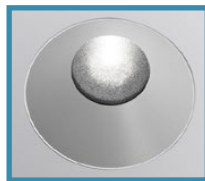

## 1000M MULTI-LAMP

Multiple lamp (each fully adjustable) single aperture, low-voltage halogen, recessed accent light, nominal 4" (100mm) diameter flat trim with 2" (50mm) aperture and optional glass diffuser.

**LAMP OPTIONS:** Citizen, BridgeLux LED, MR-16, MR-16 CMH, Soraa

**HOUSING TYPES:** UH Universal, Airtight Universal, Shallow, Chicago Plenum and IC.

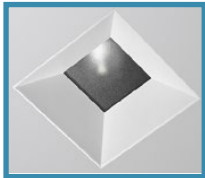

## 1001M MULTI-LAMP

Multiple lamp, low-voltage halogen/metal halide, recessed accent light with nominal 4" (100mm) to 6" (160mm) conical trim with 2/4" aperture and optional glass diffuser. Clear pyrex safety lens.

Optional borosilicate lenses available for lampholder and aperture.

**LAMP OPTIONS:** Citizen, BridgeLux LED, MR-16, MR-16 CMH, Soraa

**HOUSING TYPES:** UH Universal, Airtight Universal, Shallow, Chicago Plenum and IC.

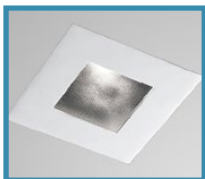

## 1009M MULTI-LAMP

The 1009 series accent light yields maximum adjustability in an open square or trough application. Multiple lamp, low-voltage halogen, recessed accent light with nominal 6" (159mm)

or 4" square aperture and optional glass diffuser. Dimmable options. Optional borosilicate lenses available for lampholder and aperture.

**LAMP OPTIONS:** Citizen, BridgeLux LED, MR-16, MR-16 CMH, Soraa

**HOUSING TYPES:** PH Plaster, APH Airtight plaster flange, UH Universal, AUH Airtight universal, Chicago Plenum, and IC.

## 1012M MULTI-LAMP

The square point source accent fixtures are available with many different light sources. They are adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane.

Multiple lamp, low-voltage halogen, recessed accent light with nominal 2" square aperture, flangeless trim and optional glass diffuser. Clear pyrex safety lens. Optional borosilicate lenses available for lamp holder and aperture.

**LAMP OPTIONS:** Citizen, BridgeLux LED, MR-16, MR-16 CMH, Soraa

**HOUSING TYPES:** PH/ APH plaster, UH/AUH Airtight universal, Chicago Plenum, IC.

## 1016M MULTI-LAMP

The round point source accent fixtures are available with many different light sources. They are adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane.

Multiple lamp, solid state light engine, recessed accent light with conical trim 3" (75mm) aperture and optional glass diffuser.

**LAMP OPTIONS:** Citizen, BridgeLux LED, MR-16, MR-16 CMH, Soraa

**HOUSING TYPES:** UH Universal, Airtight Universal, Shallow, Chicago Plenum and IC.

## 1017M MULTI-LAMP

The square point source accent fixtures are available with many different light sources. They are adjustable 365 degrees on the horizontal plane and up to 45 degrees on the vertical plane.

Multiple lamp, solid state light engine, recessed accent light with nominal 3" (75mm) square aperture and optional glass diffuser.

**LAMP OPTIONS:** Citizen, BridgeLux LED, MR-16, MR-16 CMH, Soraa

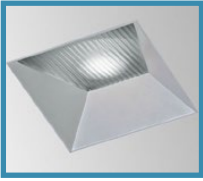

**HOUSING TYPES:** PH Plaster, APH Airtight plaster flange, UH Universal, AUH Airtight universal, Chicago Plenum, and IC.

# SERIES

## POINT SOURCE

### WALL WASHER

All of our wall washers are specification grade, can be built to specification. SLI wall washers provide clean, even and total coverage for applications that demand superior lighting. Our patented Supertex™ lensing system provides unparalleled beam spread.

## 1240

**AmbientDim™**

The 1240 square wall wash fixtures are designed optically to flood the surface of the wall with light from the ceiling line to the floor. They can be ordered to fit any ceiling system. Single lamp, recessed wall washer with nominal 4" x 4" square aperture. Frosted supertex borosilicate spread lens, hinged for relamping.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH and Soraa

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, compact, Chicago Plenum, surface and IC

## 1240WW

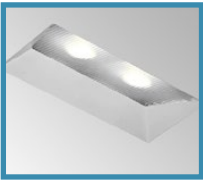

**AmbientDim™**

These double lamp fixtures give you the ability to wash adjacent walls with light from the ceiling line to the floor, Twin lamp, low-voltage halogen and metal halide, recessed

combination wall washer and accent light with nominal 4"x8" or 8"x9" rectangular 2 cell aperture and flangeless trim.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH and Soraa

**HOUSING TYPES:** PH/SPH Plaster, UH/SUH (Universal), APH/AUH Airtight, CP

## 1240-2

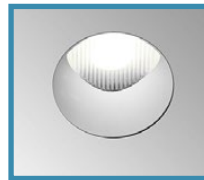

**AmbientDim™**

The 1240-2 wall wash fixtures are designed optically to flood the surface of the wall with light from the ceiling line to the floor. They can be ordered to fit any ceiling system. Dual lamp

fixture or single lamp compact fluorescent recessed wall washer or with nominal 4"x 9" rectilinear aperture. Supertex borosilicate spread lens, hinged for relamping. Suitable for install from below applications.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH and Soraa

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, compact, Chicago Plenum, surface and IC.

## 1250

**AmbientDim™**

The 1250 round wall wash fixture is designed optically to flood the surface of the wall with light from the ceiling line to the floor. They can be ordered to fit any ceiling system. Single lamp,

recessed wall washer with nominal 4" diameter. Frosted supertex borosilicate spread lens, hinged for relamping.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH and Soraa

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, compact, Chicago Plenum, surface and IC

## 1240AW

**AmbientDim™**

These double lamp fixtures give you the ability to wash the wall with light from the ceiling line to the floor, and provide an additional adjustable accent light. Twin lamp, low-voltage halogen

and metal halide, recessed combination wall washer and accent light with nominal 4"x 8" rectangular 2 cell aperture and flangeless trim.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH and Soraa

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, compact, Chicago Plenum, surface and IC.

## SERIES LINEAR

All of our linear products are build-to-order, semi-custom. The fixtures are built to your exact dimensions to create a beautiful, architecturally integrated, wall-to-wall installation. They can be ordered to fit any ceiling system.

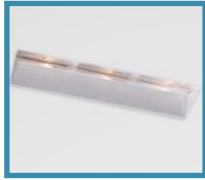

### 600

Multi-lamp, LED, low voltage halogen, line voltage krypton surface mounted linear wall washer with nominal 3.5" (90mm) wide aperture, and cast borosilicate fresnel lens or acrylic lens.

**LAMP OPTIONS:** LED, T3, T4, T5

**HOUSING TYPES:** SH Surface housing

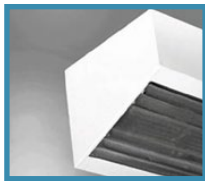

### 601

Multi-lamp, LED, low voltage halogen, line voltage krypton surface mounted linear wall washer with nominal 5" (125mm) wide aperture, flanged or flangeless trim and acrylic fresnel lens.

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR-11, ALR-12, T5

**HOUSING TYPES:** FH Flanged housing; Plaster housing; Wood housing

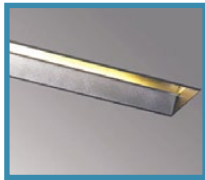

### 604

Multi-lamp/low voltage halogen/line voltage krypton surface mounted linear wall washer with nominal 3.5" (90mm) wide aperture, integral kick reflector and cast borosilicate fresnel lens.

**LAMP OPTIONS:** T3, T4, T5

**HOUSING TYPES:** SH Surface housing

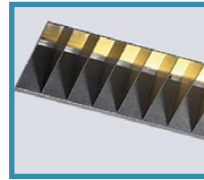

### 607

Fluorescent/multi-lamp halogen recessed linear slot wall washer. Nominal 5" (125mm) wide aperture, flangeless trim and acrylic and cast borosilicate fresnel lens options. Small aperture slot used in ceiling heights up to 12 feet (4m) to smoothly wash vertical surfaces such as walls, marker boards, information panels, etc.

**LAMP OPTIONS:** T5, T8, T10/W, BT10/W

**HOUSING TYPES:** FH Flanged housing; Plaster housing; Wood housing

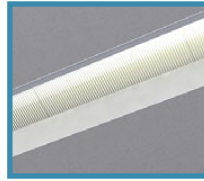

### 609-FL Up Light

Medium profile, recessed uplight, intended to highlight surface texture in brick, stone, stucco, tile, textured paint, fabric and wood panels. T5, T8, integral electronic ballast, 120/277v

(dimmmable available).

**LAMP OPTIONS:** T5, T8, T10/W, BT10/W

**HOUSING TYPES:** FH Flanged housing; Plaster housing; Wood housin. Also available as up light.

### 613

Multi-lamp halogen/krypton recessed linear wall washer with nominal 5" (125mm) wide aperture, flanged trim and borosilicate supertex spread lens.

**LAMP OPTIONS:** MR-11

**HOUSING TYPES:** FH Flanged housing; Plaster housing; Wood housing

### 620

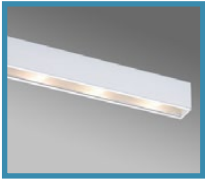

Fluorescent medium profile, recessed uplight, intended to highlight surface texture in brick, stone, stucco, tile, textured paint, fabric and wood panels.

**LAMP OPTIONS:** T5, T8

**HOUSING TYPES:** FL Surface Mount. Also available as up light.

# SERIES LINEAR

All of our linear products are build-to-order, semi-custom. The fixtures are built to your exact dimensions to create a beautiful, architecturally integrated, wall-to-wall installation. They can be ordered to fit any ceiling system.

## 800

Multi-lamp, surface mounted linear wall grazer. Nominal 2" wide (55mm) aperture, with acrylic and borosilicate supertex spread lens options.

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR-11, ALR-12.  
**HOUSING TYPES:** SH (Surface), wall mounted or pendant

## 801

Multi-lamp, recessed linear light slot, nominal 1.5" (35mm) wide aperture and borosilicate aperture lens. May be used as a wall grazer or a general lighting down light. ST trim used in showers or other wet locations. LC used in high vibration applications such as elevator cabs.

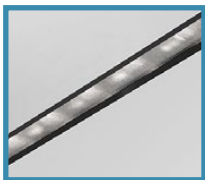

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR-11, ALR-12.  
**HOUSING TYPES:** FH (Flanged), PH (Plaster), IH (In-floor), APH (Airtight plaster frame), AFH (Airtight Flanged).

## 802

Multi-lamp/Single-lamp, low-voltage halogen, recessed linear light slot with flanged or surface mounted housing, nominal 2.5" (60mm) wide aperture and borosilicate aperture lens. May be used as wall grazer, general down light or up light. Models for wet locations.

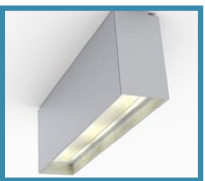

**LAMP OPTIONS:** ALR-12 (GBD) 20w, MR-16 spot, 37w max., Soraa  
**HOUSING TYPES:** FH (Flanged), PH (Plaster frame), SH (Surface)

## 803

Large or medium profile, linear recessed or surface mounted with socket plate and double lensed unit. Supertex borosilicate glass lens. In-floor up lighting option.

**LAMP OPTIONS:** MR-16, ALR-12, Soraa, PAR20/30, Metal Halide, AR111  
**HOUSING TYPES:** SH (Surface), Recessed

## 804

Multi-lamp, surface mounted linear wall grazer. Nominal 2" wide aperture, with acrylic and borosilicate supertex spread lens options.

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR-11, ALR-12, T5  
**HOUSING TYPES:** SH (Surface), wall mounted or pendant

## 805

Multi-lamp, solid state light engine/fluorescent recessed linear wall grazer with nominal 1.5" (38mm) to 2" (50mm) wide aperture and regressed acrylic or borosilicate supertex spread.

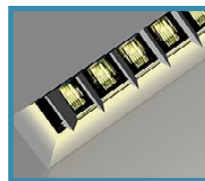

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR-11, ALR-12, T5  
**HOUSING TYPES:** FH (Flanged), PH (Plaster), APH (Airtight plaster frame), AFH (Airtight Flanged).

## 811

Multi-lamp, low-voltage halogen/LED recessed linear wall grazer with nominal 1.5" (38mm), 2" (50mm), 4" (100mm) wide aperture options; veiling acrylic, borosilicate supertex spread lens and pyrex walk over lens options. Custom curved ceiling options.

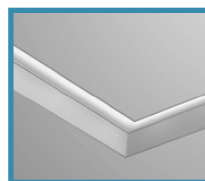

**LAMP OPTIONS:** Xicato LED, BridgeLux LED, 2 watt LED 2" (50mm), ALR-12 (GBD) 20w, MR-16, PAR 20, PAR 30, PAR 38, PAR 30MH, AR111  
**HOUSING TYPES:** FH (Flanged), SH (Surface mount), PH (Plaster), APH (Airtight plaster frame), AFH (Airtight Flanged), WD (Wood) SHI (Surface mounted Inverted), IH (Inverted Uplight),

## 812

Multi-lamp, solid state light engine, recessed linear wall grazer with flangless housing, nominal 1.5" (38mm) wide aperture, deep parabolic baffle and raised aperture lens.

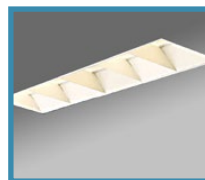

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture  
**HOUSING TYPES:** PH (Plaster), APH (Airtight plaster frame), SH (Surface).

## 815

Multi-lamp, low voltage halogen, recessed linear wall washer with nominal 5" (125mm) wide aperture, adjustable socket plate and borosilicate supertex spread lens.

**LAMP OPTIONS:** ALR-12 (GBD), MR-16, Soraa  
**HOUSING TYPES:** PH (Plaster); FH (Flanged housing), WH (Wood Flangeless)

## 819

Large profile, recessed, intended to graze down walls and other flat surfaces by positioning the trim of the fixture housing near the surface to be illuminated. Supertex borosilicate glass lens,

plus other options.

**LAMP OPTIONS:** ALR-12 (GBD), MR-16, Soraa  
**HOUSING TYPES:** PH (Plaster); FH (Flanged housing), WH (Wood Flangeless)

NOTE: These specifications are subject to change without notice

## 840

Multi-lamp, up and adjustable down light with LED / fluorescent pendant linear wall grazer with nominal 1.5" (38mm) to 2" (50mm) wide aperture and regressed acrylic lens if required.

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR-11, ALR-12, T5

**HOUSING TYPES:** Pendant mounted

## 850

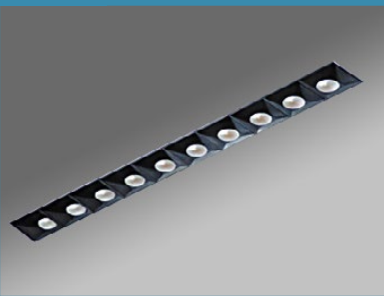

Multi-lamp, fixed up/adjustable down light with LED / fluorescent pendant linear wall grazer with nominal 1.5" (38mm) to 2" (50mm) wide aperture and regressed acrylic lens.

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR-11, ALR-12, T5

**HOUSING TYPES:** Pendant mounted

## NEW!

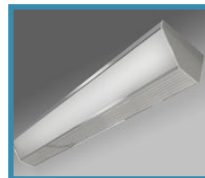

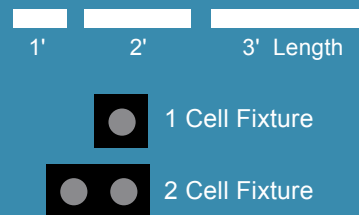

## 888 « SLICE »

Multi-lamp, solid state light engine, recessed linear wall grazer with flanged (FH) or flangless (PH) housing, nominal 13" long x 2" wide, baffle and regressed acrylic lens. Integral electronic dimmable driver options.

**LAMP OPTIONS:** (10) 2.2W, 80 CRI, 3000K LED supplied with fixture

**HOUSING TYPES:** FH or PH – choice between SM Smooth and SD Stepped baffle type

Available in different configurations

## 120-LED

Ideal for cove or under cabinet lighting applications, the 120-LED employs a linear, led light engine providing excellent illumination. Extruded aluminum housing with seamless end plates.

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture

**HOUSING TYPES:** Extruded aluminum, surface mounted

## 415

Small aperture fixed down light used in medium ceiling heights to highlight the texture in surfaces such as stucco or brick, illuminate flat surfaces such as venetian plaster, fabric or wood, or specular surfaces such as polished stone or stainless steel.

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR16, ALR12

**HOUSING TYPES:** Extruded aluminum housing with Ultrim™ plaster frame

## 700

Pendant mounted narrow profile lighting system used in low to medium ceiling heights to illuminate as general lighting. Multi-lamp, solid state light engine, linear system, nominal 3" (80mm) wide aperture and acrylic lens. Circuit board mounted to extruded aluminum heatsink. Acrylic diffusing lens. Integral dimmable electronic driver with internal short circuit protection. 120v-277v primary, compatible with 0-10v dimmers. Also available for 120v phase control and Lutron

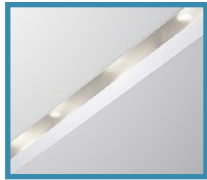

**LAMP OPTIONS:** 2700K, 3000K or 3500K LED supplied with fixture, MR16, ALR12

**HOUSING TYPES:** Pendant mount, extruded aluminum with seamless welded and ground end plates

## MOSAIC SERIES

### LINEAR MULTI-USE

Fully recessed extruded aluminum accent light housing available in a variety of aperture sizes to accommodate a large range of linear and point sources. Three circuit wireway provides power for a wide array of lighting elements that can be located anywhere along the length of the housing. Optional fourth circuit for indirect ambient light. Available in flanged and flangeless trims and with optional aperture lenses.

### 3000 LINEAR ACCENT HOUSING

Useful in applications such as museum, retail and residential environments; the system is totally flexible with lighting elements that may be easily changed in the field to respond to varying architectural conditions. The 3000 series is a tool that allows the designer to create a unified design that is easier to understand and results in a space that is more comfortable to inhabit.

**LAMP OPTIONS:** Citizen, Xicato and BridgeLux LED, ALR12, ALR18, MR16, PAR20, PAR30, PAR36, AR111, PAR38, MR16MH, PAR20MH, PAR30MH, PAR38MH T3, T5, T8, Indirect - FC, T3, T4, T5, LED

**HOUSING TYPES:** PH Plaster, UH Universal - Numerous Trim options available  
*Housing and Lamping components sold separately*

### 3500 LINEAR POCKET SYSTEM

The Mosaic pocket system is a combination of linear general lighting with accent lights located in sections or "pockets" strategically placed in the linear fixture. Useful in applications such as museum, retail and residential environments. The 3500 series is a tool that allows the designer to create a unified design that is easier to understand and results in a space that is more comfortable to inhabit.

**LAMP OPTIONS:** Combinations of LED, fluorescent, low-wattage halogen, metal halide  
**HOUSING TYPES:** PH (Plaster), UH (Universal linear housing), FH (flanged housing) or Pendant Mounted.

## SERIES POINT SOURCE MINI FIXED

SLI's point source down light is a fixed lamp fixture. The design is aimed to be minimalist and as small as possible. Currently available with the round options while square is scheduled for release in early second quarter 2016.

### 4500 AmbientDim™

True pinhole, fixed downlighting – with 2" round trims and various aperture options. Available in LED, low-voltage halogen, metal halide. Dimming and borosilicate lensing options available as well as a decorative glass option.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, R14  
**HOUSING TYPES:** CUH (Compact Universal), AUH (Airtight Universal), Retrofit – for use in all ceiling conditions including GWB plaster ceilings

### 4501

AmbientDim™

Fixed LED, down light with 2" round flanged or flangeless trim for use as retrofit.

**LAMP OPTIONS:** Citizen and Ambient Dim LED  
**HOUSING TYPES:** Retrofit

### 4540

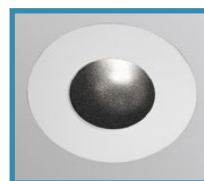

AmbientDim™

Fixed LED, wall wash light - with 2" round flanged or flangeless trim for use as retrofit.

**LAMP OPTIONS:** Citizen and Ambient Dim LED  
**HOUSING TYPES:** Retrofit

## SERIES POINT SOURCE DOWN LIGHT

SLI's point source down light is a fixed lamp fixture. The lamp is aimed in a straight down position. Check below for the availability of the following housing types: Housings for the round trims come with separate collars for plaster or standard ceilings. UH Standard housing for all ceilings (for use with the ZT or FT trim); CUH Compact housing for all ceilings (for use with the ZT or FT trim); SUH Shallow housing for all ceilings (for use with the ZT or FT trim); AUH IC rated, Airtight housing for all ceilings (for use with the FT trim).

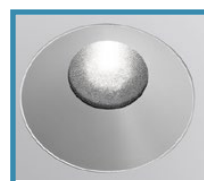

### 4000

AmbientDim™

Single lamp, LED/low-voltage halogen/metal halide, recessed down light, nominal 4" (100mm) to 6" diameter flat trim with 2/4" aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** UH Universal, Airtight plaster, Airtight universal, Shallow and IC and Chicago Plenum.

### 4001

AmbientDim™

Single lamp, low-voltage halogen/metal halide, recessed down light with nominal 4" (100mm) to 6" (160mm) conical trim with 2/4" aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

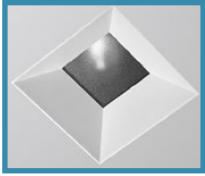

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111  
**HOUSING TYPES:** UH Universal, Airtight plaster, Airtight universal, Shallow and IC, and Chicago Plenum.

## 4009

**AmbientDim™**

The 4009 series down light yields maximum light in an open square or trough application. Single lamp, low-voltage halogen, recessed down light with nominal 4" or 6" square trim and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, compact, Chicago Plenum, surface and IC.

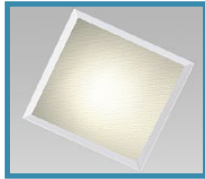

## 4009-2

**AmbientDim™**

Double lamp, low-voltage halogen, recessed down light with nominal 4"x 9" rectilinear, square aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, IC.

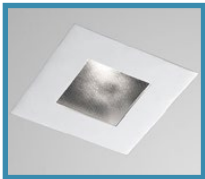

## 4010

**AmbientDim™**

Single lamp low-voltage halogen, recessed down light with nominal 4"x4" square aperture. Glass diffuser and flangeless beveled trim. Optional solite borosilicate lenses available.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, Soraa,

**HOUSING TYPES:** PH plaster

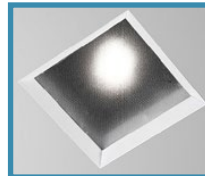

## 4012

**AmbientDim™**

Single lamp, recessed accent light with nominal 2" flat square aperture, flanged or flangeless trim and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow, AUH Airtight universal, Chicago Plenum, surface and IC.

## 4014

**AmbientDim™**

Single lamp LED/compact fluorescent recessed down light with nominal 4" square/6.5" square aperture, beveled trim and 3" (75mm)/5.5" glass diffuser. Solite borosilicate lenses available.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, APH Airtight plaster flange, UH Universal, AUH Air universal

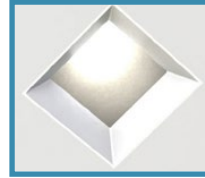

## 4016

**AmbientDim™**

Single lamp, recessed down light with nominal 4" (100mm) to 6" (160mm) conical trim with 3/5" aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** UH Universal, Airtight Universal, Shallow, Chicago Plenum and IC.

## 4017

**AmbientDim™**

Single lamp, recessed down light with nominal 4" (100mm) trim with 3" aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, Chicago Plenum and IC.

## 4050

**AmbientDim™**

Dual lamp, low-voltage halogen, recessed down light with nominal 4"x 88" rectilinear, square aperture and optional glass diffuser. Interchangeable reflector provides multiple beam patterns. Optional borosilicate lenses available for aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED, MR-16, MR-16 CMH, Soraa, AR111

**HOUSING TYPES:** PH Plaster, SPH Shallow plaster flange, APH Airtight plaster flange, UH Universal, SUH Shallow universal, AUH Airtight universal, IC.

## SERIES POINT SOURCE UP LIGHTS

The up light accent lights are designed to mount into exterior hard surfaces (not for in soil mounting). They give you adjustability and outdoor use.

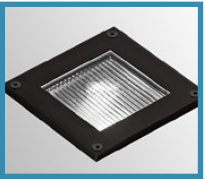

### 2001/2002 Round

SLI up light accent lights are designed to mount into floor. Provides for slight adjustability. 4" round trim (2001) or 6" round trim (2002), Supertex borosilicate glass and clear Pyrex protective cover.

**LAMP OPTIONS:** LED, MR-16

**HOUSING TYPES:** IH (Inverted Housing).

### 2003/2004 Square

SLI up light accent lights are designed to mount into floor. Provides for slight adjustability. 4" or 6" square trim options, Supertex borosilicate glass and clear Pyrex protective cover.

**LAMP OPTIONS:** LED, MR-16

**HOUSING TYPES:** IH (Inverted Housing)

## SERIES STEP LIGHTS

The step and accent light is a recessed luminaire with a recessed slot aperture to control glare. The light source is available in 2W or 4W AC, TRIAC dimmable white light emitting diode. Multiple mounting options available, easily removable for maintenance. Fixture is available for use in dry, damp and wet locations.

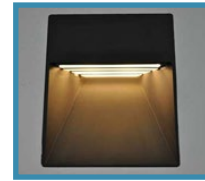

### 2101

Wet listed, recessed Step Light for both interior and exterior applications in step or path lighting. Rugged construction with various housings for integration in most conditions. Available in a 2 watt or 4 watt LED source with a line voltage driver eliminating the need for an additional transformer. Dimming and colored lens options available.

**LAMP OPTIONS:** 2W LED, 4W LED, 3000K

**HOUSING TYPES:** PH Plaster Flange, FH Overlap Flange housing, CH concrete housing, WH Wood housing

### 2102

Wet listed, recessed Step Light with shielded source for both interior and exterior applications in step lighting. Rugged construction with various housings for integration in most conditions. Available in a 2 watt or 4 watt LED source with a line voltage driver eliminating the need for an additional transformer. Dimming and colored lens options available.

**LAMP OPTIONS:** 2W LED, 4W LED, 3000K

**HOUSING TYPES:** PH Plaster Flange, FH Overlap Flange housing, CH concrete housing, WH Wood housing

## SERIES SPECIALTY 3-STAGE DOWN LIGHT

### 2505

Single lamp, solid state light engine, recessed 2" (50mm) aperture down light and accent light. Flood aperture with low brightness parabolic reflector. Retractable for different field conditions.

**LAMP OPTIONS:** Citizen, Xicato, LED, MR-16, Soraa

**HOUSING TYPES:** PH (Plaster for Flangeless)

**Stage 1- Fully-Recessed**

**Stage 2- Semi-Recessed**

**Stage 3-Full Extension\***

\*Stage 3-Full Extension provides multi-directional capability  
180° Degree rotation / Fully retractable

## SERIES PICTURE LIGHTS

The picture light series are architecturally designed to be beautiful addition to any decor. These crafted fixtures are used to light fine art, wall murals, or as a wash of light on any surface. Painted and metallic finishes available.

### 201

Small profile art lighting designed to evenly illuminate standard size works of art (up to 4' tall.) Can also be used as indirect ceiling/cove lighting. Brass and Aluminum finishes available.

**LAMP OPTIONS:** 5W-T3, 10W-T3, 20W-T4

**HOUSING TYPES:** Cord & plug, J-box, Through panel, Desk/lectern, End swivel

### 204

Medium profile art lighting designed to evenly illuminate standard size works of art (up to 4' tall.) Can also be used as indirect ceiling/cove lighting. Brass and Aluminum finishes available.

**LAMP OPTIONS:** 20W-T4, T5 (integral electronic ballast), T3 (remote transformer req)

**HOUSING TYPES:** Cord & plug, J-box, Through panel, Desk/lectern, End swivel

### 206

Art lighting designed to evenly illuminate standard size works of art (up to 4' tall.) Can also be used as indirect ceiling/cove lighting.

**LAMP OPTIONS:** 20W-T4, T5 (integral electronic ballast), T3 (remote transformer req)

**HOUSING TYPES:** Cord & plug, J-box, Through panel, Desk/lectern, End swivel

### 303

The 303 series has a sophisticated optical system designed to light larger surfaces up to 12 feet (4M) tall. These crafted fixtures are used to light fine art, wall murals, or as a wash of light on any surface. Painted and metallic finishes available. Multi-lamp, low-voltage halogen, extruded picture light with nominal 3" (75mm) wide elliptical housing. Supertex, acrylic lens.

**LAMP OPTIONS:** LED, T5 (integral electronic ballast), MR-11 (FSS) narrow spot

**HOUSING TYPES:** Cord & plug, J-box, Through panel, Desk/lectern, End swivel

### 304

The 304 series has a sophisticated optical system designed to light larger surfaces up to 12 feet (4M) tall. These crafted fixtures are used to light fine art, wall murals, or as a wash of light on any surface. Painted and metallic finishes available. Multi-lamp, low-voltage halogen, extruded picture light with nominal 3½" (89mm) wide tubular housing. Molded borisilicate spread lens.

**LAMP OPTIONS:** LED, T5 (integral electronic ballast), MR-11 (FSS) narrow spot

**HOUSING TYPES:** Wall or frame, J-box, Through panel, End swivel

### 306

Provides smooth even illumination of surfaces up to 12 feet (4M) tall. May be used to light large pieces of art light such as tall painting or murals. May also be used to illuminate shelving or indirectly light ceilings. Multi-lamp, solid state light engine with nominal 3" (75mm) wide elliptical housing and integral backshield.

**LAMP OPTIONS:** LED, T5 (integral electronic ballast), MR-11 (FSS) narrow spot

**HOUSING TYPES:** Extruded aluminum with seamless welded and ground end plates

## SERIES CYLINDER SURFACE MOUNTED/PENDENT

Sleek architectural high performing 4" and 6" diameter cylinders that deliver maximum output. Available in surface mounted or pendant mounting configurations.

### 4018

Single lamp, solid state light engine, surface mounted down light with nominal 4" (100mm) or 6" (150mm) aperture.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED

**HOUSING TYPES:** Heavy wall extruded aluminum tube with machined adjustable ceiling collar

**AmbientDim™**

### 1218

Single lamp, solid state light engine, surface mounted wall wash light.

**LAMP OPTIONS:** Citizen, Xicato, BridgeLux LED

**HOUSING TYPES:** Heavy wall extruded aluminum tube with machined adjustable ceiling collar

**AmbientDim™**
