Single lamp, in-ground light with nominal 4" square trim and optional glass diffuser. Uplighting for floors typically found in residential, commercial and retail applications. Suitable for new construction.

## SPECIFICATIONS

## HOUSING

- Precision die-formed heavy gauge aluminum with machined trim

## MOUNTING

- Recessed in floor

## ELECTRICAL

- Integral dimmable electronic driver with internal short circuit protection
- 120v-277v primary, compatible with $0-10 \mathrm{v}$ dimmers
- Also available for 120 v phase control

## LAMP

- Citizen LED supplied with fixture
- Available in 2700 thru 4000 K color temperature and $90+$ CRI

SOCKET

- Ulsocket ${ }^{\text {TM }}$ allows easy field replacement of light engine

LENS

- Clear pyrex safety lens
- Optional borosilicate lenses available for lampholder and aperture

TRIM

- CNC machined aluminum trim with bezel

FINISH

- Black powder paint housing
- Aperture trim available in black and white as standard
- Additional standard colors, RAL palette, custom finishes available

LABELS

- © ${ }_{\text {© }}$, US tested to UL standards 1598 , Damp location
